# Who are we?

Your Gateway to a Musical  
Time Capsule!

Rhythm Riot is not just a band;  
we're your portal to an  
unforgettable journey through  
the '70s, '80s, '90s, and 00's.

We bring the magic of those  
iconic decades to your party,  
ensuring that your event is a  
non-stop dance extravaganza.  
Our key value is versatility and  
quality. Our band is made up of  
the top players and singers in  
Estonia. On top of that, we can  
tailor our setup to your budget  
and venue size, making sure  
your event is a hit no matter  
the scale.

With Rhythm Riot, you're not  
just booking a band; you're  
securing a timeless, nostalgia-  
filled dance party for your  
guests. Let us transport you  
through time and create  
unforgettable memories.

# Kes me oleme?

Rhythm Riot pole lihtsalt bänd;  
me oleme teie portaal  
unustamatuks rännakuks  
70ndate, 80ndate, 90ndate ja  
nullindate muusika maailma.  
Toome nende ikooniliste  
aastakümnete võlu teie peole,  
tagades, et teie külalised  
saavad tantsupõranda kuumaks  
kütta.

Meie põhiväärtus on  
mitmekülgsus ja kvaliteet. Meie  
bändis mängivad ainult eesti  
parimad muusikud ja lauljad.  
Lisaks, suudame oma esinemist  
kohandada vastavalt teie  
vajadustele ja ürituse  
suurusele.

Tellides oma peole Rhythm  
Rioti, ei broneeri te mitte ainult  
bändi; te tellite ajatu ja  
nostalgia-rikka tantsupeo oma  
külalistele. Laske meil end ajas  
tagasi viia ja luua unustamatuid  
mälestusi.
